

THE CHAMBER OF ADVOCATES MADE AN APPEAL TO EMBASSIES, INTERNATIONAL ORGANIZATIONS AND ASSOCIATIONS OF ADVOCATES

08.10.2020 19:02

The Chamber of Advocates of the Republic of Armenia appealed to the embassies, international organizations and associations of advocates.

The call refers to the military attack against the Republic of Artsakh launched by Azerbaijan on September 27, 2020 with the active support of Turkey and the active involvement of mercenary terrorists, within the framework of which the peaceful settlements of both the Republic of Armenia and the Artsakh Republic were targeted, including the capital Stepanakert and the cultural center Shushi.

The Chamber of Advocates of the Republic of Armenia calls on the embassies, international organizations and associations of advocates to give a legal assessment to the mentioned events within the scope of their authorities and to condemn strongly

1. Involvement of mercenary terrorists by Azerbaijan and Turkey in hostilities.

2. Actions by Azerbaijan to be considered a war crime aimed at the destruction of peaceful settlements, cultural objects, churches and civilians in Armenia (Artsakh (Nagorno Karabakh)).

3. The use of prohibited weapons by Azerbaijan.

The document also presents the facts and legal analysis of the situation in the Artsakh Republic.
