

THE STATEMENT OF THE PRESIDENT OF THE CHAMBER OF ADVOCATES ON THE DAY OF VICTORY AND PEACE

09.05.2014 12:32

By the name of the Chamber of Advocates of the RA I dearly congratulate you on the victory against Fascist Germany, Liberation of town Shushi and on the occasion of the establishment of the Army of Artsakh. It is not a secret that the Great Patriotic War had hundreds of thousands of victims and loss of Armenians. But it kept the safety of our nation for coming decades. And we should always remember and revere the ones who gave us that safety. Our brothers and fathers saved us with their blood. An at last Shushi liberation of Azerbaijan is invaluable.
